Year 12 & 13 Uniform and Kit

Performing Arts

Guidelines

- Incorrect uniform for classes may result in you being excluded from that class
- All clothing/footwear must be clearly marked with your name
- Some of the uniform items may already be owned, there is no requirement to purchase new providing items are an exact match
- For students who do not identify as male or female, please select from either or a combination of the lists or whichever uniform items you will feel most comfortable in
- The items are only the basic dancewear needed. Wear and tear will mean replacement of some items during term, and you should remember that you will have classes every day and therefore likely to require several changes. **For additional performance essentials at discounted prices please visit: Performance Essentials – Dance Runway**
- Productions will undoubtedly require further hosiery, footwear and other items
- Students may wear one pair of stud type earrings, anything more than this must be removed whilst in school. Earrings must be removed or taped up during training sessions.
- Students are allowed to wear jewellery, but this must be minimal and not be visible above school uniform. Anything more than a single necklace or bracelet will need to be removed.
- The school are not responsible for any jewellery lost or stolen on site, so we would advise all students to refrain from bringing in anything that is expensive or valuable.
- Students are not allowed acrylic nails in school – these must be removed before students are allowed to participate in training.
