Dear Parent, Carer

As always, we want to do everything we can to support our young people with their academic studies, especially considering the amount of training they put into their specialisms outside of school. With this in mind, we have had an increasing number of students, parents and carers asking us about purchasing revision guides and text books to support GCSE work in Years 9-11.

As a school we can often gain discounts on book orders therefore we have put together a list of recommended revision guides and text books for each subject which can be ordered through ParentPay saving up to 50% on the recommended retail price charged in shops. Please discuss with your son/daughter which books are needed to support their studies.
