9th December 2019

Dear parent, carer

As part of our ongoing support for all of our students, we have arranged an important specialism mentoring afternoon with coaches on Wednesday 15th January 2019.

On this day, the school will officially close at 1.30pm but each Year 9 and 10 student will attend a timetabled mentoring appointment with parents / carers present to discuss progress in their particular specialism. This will be with one of your child's coaches or specialist teachers and the focus will be on reviewing current progress and setting personalised targets for the remainder of the year. This is a very important part of our support for our students and gives you the opportunity to meet with your child's coach in much the same way as you would do with academic staff at parents' evening.

Please discuss this with your son / daughter and let them know the best time for an appointment to be made – appointments run from 1.30pm to 4.25pm. Appointment times will be confirmed with students by Friday 20th December and your child will bring this information home, please use the space below to record this.

If you have any questions regarding this event, please do not hesitate to contact me at tclark@leaf.bournemouth.sch.uk

Yours sincerely,

Mr T Clark
Vice Principal
