Dear Parent, Carer

Many thanks to those of you who attended the Year 9 parents' evening last week. It was good to see so many parents who clearly care passionately about their children's education.

In order to follow up on this event, we are inviting all Year 9 parents to complete an online survey about LeAF Studio through the government's **ParentView** website. It only takes a few minutes to complete but gives us very valuable feedback on both our strengths and areas for development.

Please click on the link below or simply look up **ParentView** in any search engine.

<https://parentview.ofsted.gov.uk>

Once you are on the website, click on **Give Your Views** and you will be able to quickly register and then search for LeAF Studio.

Many thanks for your support in helping us continually strive to improve.

Yours sincerely,

Mr T Clark
Vice Principal
