Dear Parents and Carers

Year 11 Easter Revision Programme

With the first GCSE exams now only 24 school days away, revision and exam preparation are at the forefront of all our minds.

Your child has now successfully completed their Pre-Public Examinations and has received their results today. Teachers are currently assessing these papers and analysing the results to formulate a plan for the remaining weeks. With Easter just around the corner, it is critical that students have a clear revision plan to ensure there are 'No wasted weeks' at this time.

This year, we are offering a range of opportunities to give students the chance to receive revision sessions from subject experts; this is in addition to the extensive intervention and revision programme that is already running daily here at LeAF. On any of the days below students are not expected to wear uniform and should bring a packed lunch or snacks if they wish to stay for the duration of the day.

Please find below the revision timetable over Easter:
