

April 2024

Dear Parent/Carer

PERIPATETIC MUSIC LESSONS

I would like to take this opportunity to remind you of the Peripatetic instrumental lessons that we currently offer at LeAF Studio, with lessons currently available for purchase for T5 on ParentPay.

We are able to offer a great level of value for students with highly experienced coaches that can provide individualised tuition to students, giving the greatest opportunity to develop their instrumental talents. We are currently able to offer lessons in Guitar, Bass, Drums & Vocals with a look to extend the range as based on demand.

Lessons can be purchased via ParentPay for the price of £60, with each purchase giving 6 lessons that will take place weekly across the half-term. Discounts are available for Pupil Premium students, and this will be made available via ParentPay when purchasing.

Each 1-on-1 lesson will last 20 minutes and will be circulated on a weekly basis to avoid any sustained clashes with specific lessons. This means the impact on a student's academic learning will be minimalised, whilst developing valuable skills that can benefit their Specialism subjects and Technical Training choices. Year 11 students will have lessons that are arranged for break and lunch times where possible to avoid any impact on academic learning as they approach their examinations across the year.

Please direct any questions or queries to Mr Hayman at karl.hayman@leafstudio.co.uk or if you require further information.

Yours sincerely

Mr K Hayman
